From beyond

Some events in our lives are inevitable, but preparation may reduce the risk to you, your family, and your pets. A small amount of preparation is all it takes to have peace of mind for your animals. This seminar reviews some of the actions you can take before it is too late to make a choice.

The mini seminar is being put on by Attorney Sheila Kessler of Kessler and Greer Animal Legal Resources, Stevens Point, WI, and sponsored by the Paper Cities Kennel Club. Refreshments will be served.

We hope to see you there.
