AUDIT to be scheduled for next year by Barb

AWARDS ended 10/31 if have awards to apply are on members only email to Karin

MEMBERSHIP dues coming in and also have a lot of lifetime members

PARTY ANIMALS: Due to reported difficulty of finding a venue on a Saturday in December the it was decided to try and schedule a venue on a Wednesday. Karin will let Andi know to look for a venue for evening of 12/17

PROPERTY trailer is in the storage unit

2026 SHOW: Per Cherilyn AKC is non-responsive to her emails regarding guidance. Damian Mitchell, Cherilyn has a meeting Monday which marv will also attend regarding guidance about show date issues. It was suggested to have conformation show and obedience/rally as separate shows/weekends. Per Cherilyn and Marv, MAKC was not interested in partnering with us on their July show weekend.

Discussed different date for conformation show, may16, show application needs to be 6 months, and it's too overwhelming to get judges within 6 months, so we are likely forgoing a conformation show for 2026 at this point. If we get that May date we could do 2 shows in one day. If we do 2 conformation shows in 1 day, that second show could make up for missing obedience and rally. Cherilyn will let the MARC center know because they want to get us in the calendar. Ultimately, wait for AKC and see.

Raffle: Donation check issued/sent

Sunshine, sent card to Sarah, ty notes to people who let us borrow golf carts for show

WEBSITE: what minutes are there or not, Marv hasn't had time to check into that. Coming up we are electing 3 board members, and we will declare the officers (no opposition) but vote for the 3 new board members as there are 4 nomination

NEW BUSINESS, Need to change the bylaws to have board meeting coincide with general meeting, we need an ad hoc committee, from the regular meeting to change the bylaws (at least three members) and Sue Webber will organize that committee. FAST CAT, June? Yvette mentioned there are potentially several properties out near her that could be suitable for Fast Cat in the future.

It was decided that we keep the June 2026 Fast Cat on the same date at the same elderon.
