Fast Cat: Brenda States that Country paws having barn hunt for 4 days, ask if we can have fast cat at
custer but Sue Webber is the secretary of Fast cat, and we have to get the application in by January 1st,
Cherilyn will reach out to Brenda from Country Paws to see what it would cost us, and then we may
need to have a special meeting at board meeting. No new information from Andi regarding a venue for
the Christmas Party. Board meeting mentioned we could do the Christmas party in January since the
holidays are so busy and hard to find a venue.

Volunteer Committee for changing the bylaws for having board meetings and general meeting on same
night, volunteers Sue Webber, Yvette, Tress. 6:30 prior to next board meeting, Yvette will chair the
meeting Tress will email those volunteered/told to be on the committee.

SHOW: Cherilyn reported, per Teams meeting with Guy Fischer, there are only 2 weekends that 2 shows on Saturday are possible: march 1st or july 31. Guy thinks even though Wheaton IL show is listed on our weekend, that they may not actually have a show that date . That club supposed to have a meeting Monday 11/17 but Cherilyn hasn't heard anything further about that. She said she would follow up directly to see if there is any information regarding that. If no IL show, once know something we can throw together a zoom meeting to discuss. , Guy Fischer from AKC said once we know dates, they will help out find judges, and dates to get application in as well having meet and greets and ideas building up membership. Cherilyn indicates May is too soon to start from scratch to get a show organized, Yvette said Marquette is still teetering on falling off most of working members have quit. Their date is the weekend right before ours last weekend in August. Labor Day weekend is 09/05-06/26. As soon as have info Cherilyn will let us know (no july dates are available for MARC). Or May 16-17 which is the Oshkosh weekend.
