SHOW/OBEDIENCE TRIAL nothing to report (Andi B is handling the organization for this)

PUBLIC EDUCATION COORDINATOR - brings handouts to events, could use a new person to head this up. Get new members more involved, AKC website says what we can do Committee to head up the mission – public education meet the breeds, JAYDE will head up this committee, public seminars possibility at meeting and jayde knows people in the community that can help and will get this organized.

PUBLICITY no report

HISTORIAN - no report

SUNSHINE – sent card to Tracy Klemm who lost a dog. The membership list, addresses are updated. New members are in red and hard to read, Tress review the list.

UNFINISHED BUSINESS – Cherilyn, potential show dates 05/09-10/27 seems like the best, will need to contact MARC to see if that date is available, No one has objections to this date.

OLD BUSINESS – Marv membership list updated, and looking at everything on the website, same with the board on the webpage, we can remove and update some info on the website, including listing the actual meeting dates and times for 2026. Sarah thinks someone on the board should have access and permission to post and update and Dennis should not be the only one. Yvette may know who has control. Sarah will contact Yvette to see

NEW BUSINESS – Barb said the club needs something to work toward, what do we look like, what do we want to be known for: AKA PCKC Mission? We could do conformation classes at bark, Yvette said she would do the classes but not all of them. Jayde suggestion/idea convention expo/ish thing about dogs...meet the breeds (subject to the tech approving our presence). 400 block demo (to substitute the mall demo, something dog related that doesn't necessarily have to tie into conformation). We used to go the fair we had issues with fair leadership so maybe we take our power back and tell them we want to be there. Get back to the fair and demos and general dog info..meet the breeds,etc. Marv mentioned the Furry fiesta 4/26/26...at Merrill in the Marc. We had lots of fun activities like bobbing for hotdogs, shortest tail and longest tail, best underbite best overbite, smallest dog, biggest dog, best costume, longest drool and farthest drool splatter.

Committee sign ups sent around at the last regular meeting and not many people signed up.
